Lit-tle

girl - ie you look sad, — I'm a - fraid you're feel - ing bad; Be - cause he's  
girl - ie don't you know, — That your pearl - y teeth will show; If you start

leav - ing, But stop your griev - ing; — (lit - tle girl,) He don't  
smil - ing, So keep on smil - ing; — (lit - tle girl,) You can

want you to feel blue, — For it's not the thing to do; It will soon be  
cut your cares in half, — If you on - ly try to laugh; Look in - to my

ov - er; Then he'll come march - ing back to you. —  
 cam - 'ra; I'm goin' to take your phot - o - graph. —

Chorus.

Smile and show your dimp - le, You'll find it's ver - y sim - ple; You can

*p-f*

think of some - thing com - i - cal, In a ver - y lit - tle while. —

Chase a - way the wrink - le, Sprink - le just a twink - le, Light your

face up, Just brace up, and smile. —
