Guitar solo ad lib.

Repeat to fade

Verse 2:

There was a ragged band that followed in our footsteps
 Running before time took our dreams away.
 Leaving the myriad small creatures trying to tie us to the ground
 To a life consumed by slow decay.

Verse 3:

Encumbered forever by desire and ambition
 There's a hunger still unsatisfied.
 Our weary eyes still stray to the horizon
 Though down this road we've been so many times.
