**Moderato Verse**

1. You told me I was the one, — the on-ly one who got your head un - done, —

And for a while I be-lieved — the line — that you spun. —

2.4. But I've been look - in' at you — look-in' close - ly at the things you do, —  
 3. You on - ly came for a smile — e - ven though you're real - ly not my style, —

I did-n't see it the way — you want - ed me to. — How - zat, you  
 I did-n't think you would run — me 'round like you do —

messed a - bout — I caught you out, — How - zat, — now that I've found — where you're at, —

It's good-bye — well, How - zat, it's good-bye. —
