Black bird, why you wearin' that frown?

Well, don't ya know Jesus loves you and me

And listen all day long.

Yea I see you're not percieving and your heart has grown calloused

You're in a storm and lost your way,

Won't you fly to heaven and be saved today.

You try to fly high, but you know that

You can't go anywhere, you can't do anything.

Blackbird, who put you in your cage?

Tell me was it God or was it you

Or was it me, well I guess it don't matter anyway.

For the thorn in your pride  
I think it's such a tragedy  
That you left Him behind!

You say you light your candle  
But your love light doesn't shine.  
You say you talk to angels  
Well, I say that's such a lie.

A-G-E
